ABOUT ME

Currently majoring in Avionics Engineering in MIST with passions for the development of technologies and their usage. I aim to be an engineer with great insight on the working of things and their development.

SOFT SKILLS

• Communication • Writing • Data Entry
• Team Work • Adaptable • Creative •
Work Ethics • Organizing

TECHNICAL SKILLS

• MS Word • MS Excel • MS
PowerPoint • Website Development •
Proteus • Altium Design • MATLAB •
Python • JavaScript • C++ • SolidWorks
• Blender • Adobe Photoshop • Adobe
Illustrator • Node.js • React.js • Redux

LANGUAGES

• English • Bangla • German

EDUCATION

B.Sc. in Aeronautical Engineering, Majoring in Avionics

Military Institute of Science and Technology, Dhaka, Bangladesh.
CGPA: 3.61 out of 4 (up to 7th semester)

2020 - Present

Relevant Courses

• Communication Engineering • Digital Signal Processing • Aircraft
Instruments and Measurement • Aircraft Stability and Control • Aircraft
Systems • Aircraft Propulsion • Signals and Systems

Minor

Aerospace Engineering

H.S.C, Faculty of Science

Rajuk Uttara Model College, Dhaka, Bangladesh
GPA: 5.00 out of 5.00

2017 - 2019

CERTIFICATIONS

JavaScript Algorithm and Data Structure
